

**AFPC IS DEDICATED to making change so our food system works better for all Alaskans.**

*How we do it:*

**CONNECT:** Engage with Alaskans to get input to strengthen our food system, and to connect them with each other to learn and collaborate.

**ADVOCATE:** Develop recommendations and share them with policy makers at the local, state, federal, and tribal level.

**INFORM:** Share information, resources, opportunities and risks with all food stakeholders (everyone who eats!)

**AFPC is a coalition of Alaskans who want to improve Alaska’s food system.**
